ORDER AND RECOMMENDATION
OF UNITED STATES MAGISTRATE JUDGE

Plaintiff, a prisoner of the State of North Carolina, submitted mass of letters and other papers to the Court. His purpose in doing so is unclear. However, in the writings, he appears to claim that his rights have been violated by the actions of state prison officials. He also mentions pursuing legal action. Given the nature of these statements, the Court treated Petitioner's filing as a civil rights action pursuant to 42 U.S.C. § 1983. Nevertheless, the form of the Complaint is such that serious flaws make it impossible to further process the Complaint. The problems are:

1. The filing fee was not received nor was a proper affidavit to proceed *in forma pauperis* submitted, with sufficient information completed or signed by Plaintiff, to permit review.
2. The Complaint is not on forms prescribed for use by this Court, nor is the information requested by such forms and necessary to process the Complaint pursuant to 28 U.S.C. § 1915A contained in Plaintiff's submission. See LR 7.1(e).

3. Plaintiff's claims and even his purpose in making this filing, are unclear. Plaintiff must explain why he is making his filing and set out any possible claims for relief.

Consequently, the Complaint should be dismissed, but without prejudice to Plaintiff filing a new complaint, on the proper § 1983 forms, which corrects the defects of the present Complaint. To further aid Plaintiff, the Clerk is instructed to send Plaintiff new § 1983 forms, instructions, an application to proceed *in forma pauperis*, and a copy of pertinent parts of Fed. R. Civ. P. 8 (*i.e.*, Sections (a) & (d)).

In forma pauperis status is granted for the sole purpose of entering this Order and Recommendation.

IT IS THEREFORE ORDERED that *in forma pauperis* status is granted for the sole purpose of entering this Order and Recommendation. The Clerk is instructed to send Plaintiff § 1983 forms, instructions, an application to proceed *in forma pauperis*, and a copy of pertinent parts of Fed. R. Civ. P. 8 (*i.e.*, Sections (a) & (d)).

IT IS RECOMMENDED that this action be filed and dismissed *sua sponte* without prejudice to Plaintiff filing a new complaint, on the proper § 1983 forms, which corrects the defects cited above.

This, the 29th day of October, 2014.

Joe L. Webster
United States Magistrate Judge
